communities can be of different kinds and exist at different levels in society what kind of community is valuable at the level of the state and what is its significance for communities above and below that level this book systematically explores the limits that ideals of political community place on cultural diversity within the state and the limits that in turn ideals of global community place on the self determination of political communities it will be of interest to students of political theory philosophy and international relations

interest in community has increased in recent years for a variety of reasons including civil renewal active citizenship and the increasing diversity of british society this is highlighted by the increasing governmental emphasis on community leading up to the current ideas of the big society understanding community is a topical text providing a clear understanding of policy and theory in relation to community by examining areas of government policy such as economic development education health housing and community safety this book explores the difficulties that communities face in dealing with state power as well as discussing the new concepts of community cohesion social capital and community capacity building the author challenges our understanding of community and assesses the strengths and limitations of this understanding this book is essential for students studying social policy social work and sociology and an invaluable resource for policymakers in community development urban regeneration and allied fields

craft practice has a rich history and remains vibrant sustaining communities while negotiating cultures within local or international contexts more than two centuries of industrialization have not extinguished handmade goods rather the broader force of industrialization has redefined and continues to define the context of creation deployment and use of craft objects with object study at the core this book brings together a collection of essays that address the past and present of craft production its use and meaning within a range of community settings from the huron wendat of colonial quebec to the girls friendly society of twentieth century england the making of handcrafted objects has and continues to flourish despite the powerful juggernaut of global industrialization whether inspired by a calculated refutation of industrial sameness an essential means to sustain a cultural community under threat or a rejection of the imposed definitions by a dominant culture the broader

effects of urbanizing imperial and globalizing projects shape the multiple contexts of interaction and resistance that can define craft ventures through place and time by attending to the political histories of craft objects and their makers over the last few centuries these essays reveal the creative persistence of various hand mediums and the material debates they represented

essay from the year 2013 in the subject theology biblical theology course biblical catechesis language english abstract christianity is not merely a set of religious principles it is a covenant in the same lines of the covenant of the people of israel for whom the decalogue the principles of their life was a testament in a similar fashion for a christian the holy bible is the testament of one s covenant with christ and the abba whom he revealed in the holy spirit rightly are its two parts called the old and the new testaments bible is the foundation of the faith experience of an individual who professes to be a christian and it is in itself the faith expression of generations of people whose faith the individual makes one s own however the place of this testament today within the faith expression of an individual or the community has undergone a long process of evolution in history within the christian community of the original times it was merely used by the elders or the priests during worship later it was used by those persons who sought to teach and guide the communities and individuals to instruct them from the examples and the teachings of the people who were originally instruments of the faith experience recorded in the scriptures further later it was considered a privilege to hold the scriptures and read or proclaim from it there was a moment in history in which the community of faith felt the need to assert that the scriptures originated from the community which was trying to record the foundational experiences for the community so that the community of faithful could find their ground in those experiences and that the scriptures should go back to the hands of the community and not remain merely in the hands of a select few this feeling and conviction gave rise to a movement in history towards making the bible the most important factor within the ambit of making sense of one s faith and its expressions in life and worship

the relationship between crime and community has a long history in criminological thought from the early notion of the criminogenic community developed by the chicago sociologists through to various crime prevention models in research and policy this book offers a useful theoretical overview of key approaches to the subject of crime and community and considers the ways in which these have been applied in more practical settings written by an expert in the field and drawing on a range of international case studies from europe north america australia and asia this book explores both why and how crime and community have been linked and the implications of their relationship within criminology and crime prevention policy topics covered in the book include the different crime prevention paradigms which have been utilised in the fight

against crime the turn to community in crime prevention policy which took place during the 1980s in the uk and us and its subsequent development the particular theoretical and ideological underpinnings to crime prevention work in and with different communities the significance and impact of fear of crime on crime prevention policy different institutional responses to working with community in crime prevention and community safety the ways in which the experience of the uk and us have been translated into the european context a comparison between traditional western responses to the growing interest in restorative and community based approaches in other regions this book offers essential reading for students taking courses on crime and community crime prevention and community safety and community corrections

returning to communities offers an innovative collection of examples and case studies into what has become a hotly disputed topic the chapters present a wide ranging series of interventions into the new debates over the concepts and practices of community and the communal for this book scholars have been gathered from across europe and australia as well as from the united states and several contributors are involved in community practice returning to communities is essential reading to researchers and students in social policy sociology ethnic studies cultural analysis media studies and across all of the social sciences and humanities concerned with the communal and the collective
